

Hi Mt. Healthy United Methodist Church Friends and Family!

Grace Monaghan, here, our resident Mt. Healthy United Methodist Church Junior Girl Scout and cookie entrepreneur.

My Girl Scout troop, and Girl Scouts all throughout the Colerain and Mt Healthy communities have been having so much fun, virtually, during the pandemic. We have found some awesome ways to continue learning awesome life skills and to connect with each other and give back to our community. We can't wait until we can gather again in-person.

I wanted to let you know that I am currently selling Girl Scout cookies and wanted to invite you to contact me if you would like to purchase some. My goal is to sell 1,000 boxes of cookies this year, to help fund awesome adventures with my troop, help us continue to give back in our community, and to start saving to fund our projects to earn our Bronze Award. If you would like to purchase directly from me, you can contact my mom, Jennifer, at 513-501-0623. We are happy to deliver your cookies via porch drop to ensure contact-free delivery.

We are also excited that Mt Healthy United Methodist Church has offered to host drive-thru cookie booths in their church parking lot this year. You might see troops from the Mount Healthy and Colerain areas set up on Saturdays and Sundays, through March 14.

As always, thank you for your support.

Until we can be together in-person again,  
Grace Monaghan
